The summer schedule may include the direct flights from Sankt-Petersburg, Yekaterinburg, Magadan, Blagoveshchensk, Krasnodar, and Krasnoyarsk.

Aeroplane tickets

Cost of aeroplane tickets depends on season and time of purchase of them and may vary widely from 20000 to 50000 rubles and more.

Please, care beforehand of the purchase of aeroplane tickets, because nearer to summer they will be very expensive!

You can buy aeroplane tickets at the ticket-offices or at the sites of airlines.

Sometimes the airlines for short periods of time carry the actions on selling the cheap aeroplane tickets.

Tickets can be also bought on cheap tariffs according to the President program of preferential air traffics that concerns young men to 23 years old, women from 55 years old, and men from 60 years old, as well as invalids of the first group and persons accompanying them. A preferential cost of a ticket from the capital and back is 15 000 rubles. Tickets are usually sold on this program only at the ticket-offices, and the amount of these tickets is limited.

Flight time
